

(e) To reflect the changes in ownership or in the membership of consortia or joint bidding arrangements specified in paragraphs (b), (c) and (d) of this section, applicants must amend their short-form applications by submitting a revised short-form application, filed within two business days of any such change; such modifications will not be considered major amendments of the applications within the meaning of §21.952(c)(2). However, any amendment which results in the change of control of an applicant will be considered a major amendment of the short-form.

(f) For purposes of this section, the terms “applicant” and “bids or bidding strategies” are defined as set forth in 47 CFR 1.2105(c)(5).

§21.954 Submission of up front payments.

(a) The Commission will require applicants to submit an upfront payment prior to the MDS auction. The amount of the upfront payment for each BTA service area being auctioned and the procedures for submitting it will be set forth in a public notice. Upfront payments may be made by wire transfer or by cashier’s check drawn in U.S. dollars from a financial institution whose deposits are insured by the Federal Deposit Insurance Corporation and must be made payable to the Federal Communications Commission. No interest will be paid on upfront payments.

(b) For MDS auctions, the Commission will require each applicant to submit an upfront payment equal to the largest combination of activity units (as defined in the Commission’s activity rules established pursuant to §21.951(a)(2)(vi)) associated with the BTAs on which the applicant anticipates being active in any single round or bidding. Applicants who are small businesses eligible for reduced upfront payments will be required to submit an upfront payment amount in accordance with §21.960(c). If an upfront payment is not in compliance with the Commission’s rules, or if insufficient funds are tendered to constitute a valid upfront payment, the applicant shall have a limited opportunity to correct its submission to bring it up to the minimum valid upfront payment prior to the auc-

tion. An applicant who fails to submit a sufficient upfront payment to qualify it to bid on any BTA service area being auctioned will be ineligible to bid, its application will be dismissed, and any upfront payment it has made will be returned.

(c) The upfront payment(s) of a bidder will be credited toward any down payment required for the BTA service areas on which the bidder is the winning bidder. Where the upfront payment amount exceeds the required down payment of a winning bidder, the Commission may refund the excess amount after determining that no bid withdrawal payments are owned by that bidder. In the event a payment is assessed pursuant to §21.959(a) for bid withdrawal or default, upfront payments or down payments on deposit with the Commission will be used to satisfy the bid withdrawal or default payment before being applied toward any additional payment obligations that the winning bidder may have.

§21.955 Submission of down payments

(a) After bidding has ended on all BTA service areas, the Commission will identify and notify the winning bidders and declare the bidding closed in the MDS auction. Within five (5) business days after being notified that it is a winning bidder on a particular BTA service area(s), a winning bidder must submit to the Commission’s lockbox bank such additional funds as are necessary to bring its total deposits (upfront payment plus down payment) up to twenty (20) percent of its winning bid(s). This down payment may be made by wire transfer or by cashier’s check in U.S. dollars from a financial institution whose deposits are insured by the Federal Deposit Insurance Corporation and must be made payable to the Federal Communications Commission.

(b) Winning bidders who are small businesses eligible for installment payments under §21.960(b) are only required to bring their total deposits up to ten (10) percent of their winning bids. Such small businesses must pay
